This book and the seller are great, but it did not have the PrepU with it. I needed (9781605470283) Kyle Essentials of Pediatric Nursing, 2e for school. If you want both the book and the PrepU code use 9781469802367. They do not rent this to Ohio residents and I am not sure if the PrepU code comes with the book if you rent it.
