Diversity refers to the range of identities that exist in a group of people. Common identity categories referenced when discussing diversity include race, class, gender, religion and sexual orientation. Diversity in education represents a broad range of ideas and initiatives to create learning environments that are safe, inclusive and equitable for as many identities as possible.

What Does Diversity Mean in Education? | Synonym

It means understanding that each individual is unique, and recognizing our individual differences. These can be along the dimensions of race, ethnicity, gender, sexual orientation, socio-economic status, age, physical abilities, religious beliefs, political beliefs, or other ideologies. It is the exploration of these differences in a safe, positive, and nurturing environment.
