Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

The Mating Mind: How Sexual Choice Shaped the Evolution of ...

"At once a pioneering study of evolution and an accessible and lively read, The Mating Mind offers the most convincing -- and radical -- explanation to date for how and why the human mind evolved. Traditionally, evolutionary theory has explained intelligence as merely a by-product of surplus brain size.

How Sexual Choice Shaped Human Nature

The Mating Mind: How Sexual Choice Shaped the Evolution of ...

Miller's 2003 book *The Mating Mind: How Sexual Choice Shaped the Evolution of Human Nature* proposes that human mate choices, courtship behavior, behavior genetics, psychometrics, and life cycle patterns support the survival value of traits related to sexual selection, such as art, morality, language, and creativity. According to Miller, the adaptive design features of these traits suggest that ...

The Mating Mind: How Sexual Choice Shaped the Evolution of Human Nature New York: Random House, 2000. Darwinian evolution is seen as a cold, ruthless struggle for survival that shaped what we eventually became. But, the critic responds, whence kindness, humor, language, playfulness, art and creativity? Scientists have tried to explain altruism ...
