[RADIOLAB INTRO] PAT WALTERS: Hey, this is Pat Walters coming at you today with the final episode of our Radiolab mini-series on intelligence, G. And so for this last episode, we wanted to shift the mood a little bit. Because as we were putting this series together, we did lots of stories on human intelligence, but we also found ourselves thinking about intelligence in other animals.

G: The World's Smartest Animal | Radiolab | WNYC Studios

(Above photo credit: Pexels) A few months ago, Radiolab producer Pat Walters was talking with two of his favorite science writers, Dan Engber and Laurel Braitman, and they went on a little bit of a rant ... about animal intelligence research. Both Dan and Laurel adore animal intelligence, but completely despise most research on animal intelligence. So much of it, they say, is designed to test ...
